### Careers at Sweetwater

Jeff McDonald, Sweetwater's V.P. of Human Resources, will be on campus next Wednesday, November 11th.

From 2:00 - 3:00 p.m. he will be giving a presentation about careers at Sweetwater in Soundhouse C in the MMP studios.

He will also be available before and afterward to meet MMP and TCOM majors individually to discuss their interest in the company's positions in sales, customer service, technical support, etc. Whether or not you are considering a position there, this will be a good opportunity to find out what the options are, and to talk about what you are considering doing after you graduate, whether you want to work in Ft. Wayne or not, since Jeff goes all over the country talking with college students and can be helpful in clarifying your goals.

Please [go to this Doodle Poll](#) if you're interested in meeting him and indicate which half hour time slots you are available for, and then I will get back to you to confirm your time. If you only want to meet him and don't want to have a mock interview, please [email me](#) and let me know if you think 30 minute is enough. If you do want to have a mock interview, bring a resume if you have one. This mock interview will help you prepare for the real interviews to come should you apply for a job there.
