### [ A-10 ]

- Activity [ A-10 ]: Reflection. **You can turn this assignment in beginning Monday, November 26th, and it is due by noon on Tuesday, December 11th when the final exam period starts.**

Submit your answers to the following questions by attaching a file in WORD or PDF format. Number your answers and/or put a blank line between each to make it easier to read them.

1. What grade are you expecting to get for the semester? Is it what you were going for? If not, what happened?
2. What did you do that helped you the most to get credit for the assignments in class?
3. What, if anything, would you do differently if you were starting the class over?
4. What did you like best about the class?
5. What changes would you suggest for the future?
6. Describe your experience with Specifications Grading. What was the best part about it? Was there anything you didn't like about it?
7. What advice would you give to students taking this class in the future?
8. Were there any topics that you wished we had covered that we didn't, or things we talked about that you think could be left out?
9. Do you have any other comments?
